

## *Publication Policy*

Journal considers only original communications/articles/write-ups submitted exclusively to the journal. Prior and duplicate publications are not allowed. Publication of abstract under conference proceedings will not be considered as prior publication. It is the duty of the authors to inform the Journal about all submissions and previous reports that might be regarded as prior or duplicate publication.

***Manuscripts for publication will be considered on their individual merits.*** All manuscripts will be subjected to peer review. Normally manuscripts will be sent to at least two reviewers and their comments along with the editorial board's decision will be forwarded to the contributor for further action. The editorial decision shall be final.

The Journal insists on ethical practices in both human and animal experiments. ***Evidence for approval by a local Ethics Committee must be supplied by the authors.*** Animal experimental procedures should be as humane as possible and the details of anesthetics and analgesics used should be clearly stated. The ethical standards of experiments must be in accordance with the guidelines provided by the CPCSEA (animal) and ICMR (human). The journal will not consider any paper which is ethically unacceptable. A statement on ethics committee permission and ethical practices must be included in all research articles under the 'Materials and Methods' section. Authors must be careful when they reproduce text, tables or illustrations from other sources. **Plagiarism** will be viewed seriously. Please see instructions below on this subject. ***All accepted papers are subject to editorial changes.*** The Editorial Board reserves the right of minor suitable alteration in the text as and when desired. However, for any major alteration, the opinion of the corresponding author shall be obtained if found necessary.

**Please note the article submitted will follow the under mentioned course:**

1. Editorial review
2. Peer Review
3. Revision by Author
4. Provisional acceptance on successful revision
5. Final Acceptance
6. Publication
